**CROQUET**  
One of NZ's  
fastest growing  
sports

Anyone who's experienced the intricacies of croquet will agree that it's a serious game and demands precise equipment. At Wood Mallets we manufacture a range of croquet sets and accessories that enhance the enjoyment of this highly competitive game. Our mallets are made from the best possible materials sourced from around the world and have become world renowned as being superb quality and great value. Our equipment is endorsed by the UK Croquet Association and we have a complete range to suit the backyard enthusiast through to the serious club player.

Our sets make great wedding presents or corporate gifts. They can provide endless hours of fun for family or friends and become family heirlooms treasured by generations to come.

# The Garden Set

All sets available in both 4 or 6 player sets.

The Garden croquet sets are competitively priced for home garden croquet with regulation sized balls and hoops. The mallet handles are made with octagonal shaped English ash handles and cylindrical shaped hardwood heads. These are robust and hard wearing ideal for home garden croquet although care should be taken not to damage the heads by hard off centre shots. Golf type swings must be avoided! They have an overall length of 36” and an average weight of 2 lbs 12 oz.

- Contents :**
- 4 x Garden mallets, 36”
  - 6 x 11mm white iron hoops. 3 7/8" between uprights.
  - 4 x composite balls. Weight 1/lb, diameter 3 5/8”.
  - Centre peg with removable pin.
  - 4 powder coated metal clips
  - 4 corner pegs.
  - Laminated colour rule card.
  - Available is a strong nylon carry bag.
  - Optional: Wooden box

# Croquet Association Set

A picture says a thousand words. Supplied with Original mallets as used by World Champion player Joe Hogan. The heads are weighted with lead and have tufnol end plates. The handles are American white ash with black cushion grips.

# The Hurlingham Set - 6 player

The 36” Hurlingham croquet mallets are superbly made to a traditional style with cylindrical hardwood heads, brass bound ends and an inlaid sighting line. The brass binding not only looks beautiful but eliminates splitting around the edges of the mallet head from off centre shots.

- Contents:**
- 6 x Hurlingham mallets, 36” overall. Approx weight 2.14oz
  - 6 x 1/2" powder coated iron hoops.
  - 6 x Composite balls. Weight 1/lb, diameter 3 5/8”.
  - Centre peg with removable pin.
  - Hoop mallet. 4 Corner pegs.
  - 6 Powder coated metal clips.
  - Colour booklet of rules and tactics + laminated rule card.
  - Pine storage box with rope handles.
